

Deadlocks

Adams Rite 2600 Sentinel 6 Extreme Security Deadlock

Application:

Sentinel 6 is a completely new generation of deadlock from Adams Rite that raises the bar in security & locking to new heights.

Engineered specifically to meet the stringent BS EN 12209 Lock Standard Test to Security Grade 6, Sentinel 6 stands in a class of its own.

Specification:

<ul style="list-style-type: none"> Complies with BS EN 12209 at security grade 6 Bolt withstands 10kN side load in unsupported application and 6kN end load Barbolt with anti-spread feature incorporating the benefits of hookbolt New patented Adams Rite over-centre mechanism 	<ul style="list-style-type: none"> Enclosed mechanism prevents potential for tampering while under attack Specifically designed to fit into thermally broken and shopfront applications Will retro-fit into existing prep for MS2200 Used successfully in security doorset tests with appropriate accessories
